AKKU-Pack Rechargeable Battery from Limoss

AKKU-PACK rechargeable

The Limoss AKKU-PACK gives you the ability to place your furniture anywhere you please without the worry of cables or plugins. This revolutionary battery pack is longer lasting and more compact than any other product on the market today. While traditional battery packs are capable of only 25-50 cycles per charge; the Limoss AKKU-PACK can handle up to 300 cycles on a single charge. To simplify the installation and reduce cost, we have also designed this battery pack to be recharged using any existing Limoss transformer. No need to purchase a separate transformer as most battery packs require.

FEATURES	SPECIFICATIONS	CAUTION
<ul style="list-style-type: none"> • Full battery pack 6-8 Hours • Battery status LED indicator • Low Battery Audible alarm • Up to 300 cycles per charge depending on model • Compatible with any existing Limoss transformer • UL recognized (MH49149) 	<ul style="list-style-type: none"> • Nominal Voltage/Capacity: 25. 2V1800mA • Input Charge Voltage: 24V-32V DC • Max Discharge Current: 5A • Duty Cycle: Max 10%; Max T_{on}: 2min 	<ul style="list-style-type: none"> • Charge battery when Low Battery Alarm sounds or every 3 months to avoid permanent damage to battery • Charge battery with correct input voltage only • For indoor use only

Fjords USA offers its' dealers the opportunity to order rechargeable batteries directly from the manufacturer (Limoss US) for our Power Swing Relaxers. We manufacture direct power swing relaxers that have been wired with the option of installing a rechargeable battery direct from Limoss US. Rechargeable batteries are quite popular with consumers that want to place the chair away from the wall for aesthetic reasons. Pricing is set by Limoss US, and is subject to change. Battery installation IS NOT intended to be a consumer-installed option.

The following contact information is for our dealer's use and not to be distributed to consumers.
Limoss US

Fjords USA does not stock or sell batteries for our Power Swing Relaxers.

Our warranty service provides the ordering and shipping of replacement components as noted:

10-years warranty -

Frames: 10 years for the metal frame and all steel mechanical functions. Classic Comfort Collection, and Norsk Collection only.

5-years warranty -

Molded Foam, Wood components, Plastic components, Gas Cylinders and all Cables. Molded cushions are warranted against collapsing for a period of 5 years. Loss of foam resiliency should not be confused with softening of foam which results from normal wear and tear.

3-years warranty -

Swing Relax Collection and Modern Living Collection reclining mechanisms and power components.

2-years warranty -

Leather or fabric covers.

- i. This is not an unlimited warranty.
- ii. For fabric: this is a warranty against pilling or wear through only.
- iii. For leather: this is a warranty against wear through or tearing only. It does not warrant against soiling, especially soiling caused by sweat and other body fluids.
- iv. It does not warrant against fade or color loss.

1-year warranty -

Battery for Modern Living Collection.

Notes. Consumer must go through purchasing dealer for any warranty claims. In almost every case, Fjords/Hjellegjerde USA will replace or repair any component that has failed that is under warranty. Only in the most unusual of circumstances will we consider replacing the whole product.

The option to replace the whole product rests solely upon Fjords/Hjellegjerde.
